

HOLIDAYS THE GOLDEN WAY

“Holidays the Golden Way”
Means happiness and laughter
By a cozy, toasty fire
With a warm heart wrapped in fur.

A big old fashioned snowfall
With time to run and play
And gentle hands to pet me
Yup, that’s a golden day.

Then it’s time for dinner
I’m hoping that it’s “Blue”
And maybe if I’m lucky
A little turkey too.

When the day is over
With a little “Thank You” yap
I nestle down on my bed
For a long, long winter’s nap.

May your Holidays be Happy and
the New Year bring you many Smiles!

Lots of licks,
Max

P.S. I hid 8 of my favorite
toys in the picture. Did
you see them all?
