

Dear Max,

When the mail came Sat. there was a surprise  
The most beautiful card from Max met our eyes.  
A Christmas delight with Goldens galore  
Pulled Santa's sleigh with toys , treats, and more.

Oops, I fear one of the Golden's snatched a Max toy,  
But Max's Duck will retrieve it, and bring Max back joy  
And while he's at it, Ducky will grab Mr. Teddy  
Sitting behind Santa, but he, too, is ready

To be retrieved and returned to Dear Max;  
So he won't have to worry and can relax.  
His squirrel's on the roof keeping watch over all  
While piggy and Moosey (?) stand by the evergreen TALL.

Oh no, is Blue Puppy way off under yon tree,  
And NOT in the house in the warm jacuzzi.  
And way on the other side of the yard  
Is it Wabbit or Lambie I see from afar?

Under Dad's watchful eye as Santa's sleigh crosses the roof into the sky,  
And Max guards the house he'll will bark out WOOF-WOOF  
Which in Retriever is "Greetings to ALL  
Humans and Animals be they Great or Small"

Thank you so, so much for your beautiful card and poem,  
LOVE AND HUGS Tucker-B XOXOXO
